Alex,

Adding the suggested background Q&As for you to have for GlobalChem. Please let us know of any questions.

M

Subject: Keynote Address for Global Chem

Hi Alex. Attached is the draft I handed to you today. As noted, this updates the TRI statement pulling from today's press release. Also, Hayley and her team are considering whether it would be appropriate for you to announce the PV29 peer review meeting – depending, there may be some revisions to those points tomorrow. Thanks.

M
